

# chugiak • eagle river **GRADBLAST**

May 13th ~ 7-11pm  
Matanuska Brewing Eagle River

## We need your help!

GradBlast is a long-standing tradition for all Chugiak/Eagle River area high-school graduates, organized by parent volunteers alongside other community members, and paid for through community donations. Last year's GradBlast was an enormous success, despite having to persevere through a pandemic, and we are so grateful to all who contributed. It is our goal to repeat that success, and to present our local 2022 graduates with a huge, celebratory event!

GradBlast 2022 will be held outdoors in the fenced "backyard" behind Matanuska Brewing in Eagle River, with live music, food, games, activities, and fantastic prizes. This venue will be chaperoned to ensure a safe, drug & alcohol-free event. Students must show valid ID for entrance, and readmittance will not be permitted.

### **YOUR SUPPORT IS VITAL TO THE SUCCESS OF THIS EVENT!**

Our local graduating seniors have missed many of the traditional high school mile-markers and memory-making events. This event is an opportunity for our community to provide an evening of celebration at the end of what has been another very difficult school year for so many. We want our grads to have their moment! As a group of parent volunteers, we are dependent on generous donors in the community for success. Students will pay an admission fee, but in order to provide excellent prizes and cover additional costs, *we need your support*.

Please consider a monetary donation and/or gift cards, which can be awarded as prizes. No contribution is too small or too big!

**Donations of \$500 or greater collected by March 31st will be displayed on banners in Eagle River & at the event.**

*Please make checks payable to ERHS PTSO (Tax ID #81-4028792).*
