

To all the students and families of the Thornton Donovan School,

We are so happy to be able to offer a fantastic new lunch program for your kids for the 2018-2019 school year.

MW KIDS BAGGED LUNCH PROGRAM. WWW.MWKIDS.COM

Once enrolled in our program, Parents can access their account, view menu options and customize their menu choices for their child's lunch orders online through our website www.mwkids.com.

Each bagged lunch will consist of a freshly prepared meal with both hot and cold daily options available, fresh fruit and a variety of chips & crackers . Dessert will be served once a week as well. Alternative options are available if parents or children do not like the daily menu options for that day. Lunches will be delivered to the schools and served to the kids at each of their individual lunch periods. Each child's name, grade and lunch option will be printed on the bagged lunch.

As parents ourselves, we know how difficult shopping, planning, prepping and making lunches can be each day for your children. Our program allows each family to know their children are being fed a well balanced, delicious and freshly prepared lunch each day they are enrolled in our program. Our staff are available to speak with parents and answer any questions you might have. We are here to work with you and help make lunch time easy and stress free for everyone involved.

Please contact us anytime and let's have a great year! More information regarding our program will be available soon!

Thank You

Mayan Axelrod www.mwkids.com
