

Good Evening 2024/2025 Ohio Premier Families,

(We are currently in Phase 2 (no contact) of the return to play protocols. Below is the plan should we be in phase 3(contact allowed)by July 6. Should we not move to phase 3 by July 6 we will reevaluate our summer format.)

I hope everyone is well, I know we are all eager to get back out on the lacrosse field! I know our summer season has been in flux but I feel now we have solidified our plans.

The season will now from **July 6-July 29** with the same Monday/Wednesday evening practice format. We are still planning to attend GEM CITY (July 11-12) and LAXAMPLIFIED (July 30-August 1). Please note this summer, practices have been cut down from 12 to 8 total- refunds will be provided.

As for tournaments, I need for all families to respond by 6/12 with their summer intentions. Whether that be; PRACTICE ONLY, GEM CITY ONLY, LAXAMPLIFIED ONLY or BOTH TOURNAMENTS.

I will be getting tournament hotel information out soon.

We will host a camp on July 26 from 1-4 PM with college coaches in attendance to run the session! Details can be found [HERE](#).

Please let me know if you have any questions or concerns.

Again, please respond by 6/12 with your plans for tournament attendance.
