# Astronomy Program

7pm

Join Park Rangers Joe and Mark to see the mysteries of the stars unfold before you. Observe stars, planets and satellites from Faver-Dykes State Park.

Look at the stars through the eyes of ancient people while enjoying age old mythological tales regarding constellations.

Bring your own binoculars for a better look, but no telescopes needed.

Meet at the Ranger Station.  
\$5 park entry fee. No additional fees.

## **Faver-Dykes State Park**

1000 Faver Dykes Rd, St. Augustine, FL 32086
