For families that wish to have their loved one honored and remembered please feel free to email their name and photo (optional), as well as any questions you may have to mthunder@mitw.org or call 715-799-3835

Join us to remember those we have lost due to alcoholism. To give the families a safe space to grieve and share their stories. A goal of this event is to show those who are actively struggling with alcoholism that we're here, that we care, that they're loved. And that their life holds value and recovery is possible.
