NIXLE
EMERGENCY NOTIFICATIONS

STAY INFORMED. STAY SAFE.

What is Nixle?

Nixle is a **FREE emergency notification service** that delivers localized, real-time alerts directly from Menominee Public Safety agencies (Police, Fire, EMS, Public Health).

- Severe weather warnings
- Evacuation notices and routes
- Drinking water contamination
- Extended utility outages
- Missing persons
- Fires, floods, chemical spills, gas leaks
- Other life-safety incidents

Who Can Sign Up?

Employees, Residents, and Business Owners of Menominee County and the Menominee Indian Tribe of Wisconsin.

Spread the Word

Encourage friends, neighbors, and family to sign up. The more people connected, the safer our community becomes!

How to Sign Up

Text Your ZIP CODE to 888777
Keshena: **54135** Neopit: **54150**
(Employees: Use your work location ZIP code)
Or register online at: **www.nixle.com**

Once registered, you'll receive a confirmation text. You can also customize your alert settings by creating a User Profile.

Your Privacy Matters: Your contact information is confidential and used only for critical communications.

Important Reminder

- Always use your physical address (not a P.O. Box or outside address).
- Keep your contact information up-to-date for accurate alerts.
