Menominee Contractors Notice

Lending & Tribal Taxes

Any time the Tribe or the covered entity enters into a contract with a business, the contract, if allowed by the funding source, shall require the contractor to utilize 20% or greater Menominee workforce in the performance of that contract.

The tribe's Menominee Contractor's list is outdated. Menominee contractors that want to be considered to fulfill the 20% Menominee workforce requirement on any contracts that the tribe has entered into, please register at...
