Menominee Tribal School FACE Program

LET'S DISCUSS

Family and Child Education (FACE) Program

Family Enrichment Services
(Prenatal to Pre-K)

Home-based learning support for children from prenatal to Pre-K, ensuring early developmental milestones are met for prekindergarten readiness.

Prekindergarten
(4 - 5 Year)

In-school instruction for children aged 4 to 5, designed to enhance kindergarten readiness skills.

Adult Education Classes

Programs focused on educational advancement and career readiness for adult learners equip families with tools to support their child's education. The teacher schedules prearranged hours with parents for active participation.
