

Mini-Mosaic Pendants

Tuition includes all supplies for two pendants
(extra pendants are \$15 each)

****NO EXPERIENCE NECESSARY****

Get out of the house and have some fun!! You'll use tiny pieces of glass, Italian millefiori and premium sterling plated pendant trays to create two wonderful glass pendants. It looks like fused glass but it's capped with a high-tech resin so you get to take your wearable art home the same day!

If you have tools, bring craft tweezers, glass cutter & pliers, mosaic cutter and safety glasses. If you have a favorite piece of colorful glass or some small charms, bring them along.

We include everything in the cost of the class; Premium sterling plated pendant findings, adhesive, resin, millefiori and other tesserae. Charms are available for a small additional fee.

We appreciate it when you buy your tools and supplies here at Harmony. By doing so, you help ensure that your local stained glass store will be here as a place for fun and learning for many years to come.
