

Beginning Basic Helm Weave Chain Maille Bracelet

Basic skills will be taught during this two hour beginning class. Following this class, you may want to further develop your skills and stay for the Byzantine Chain Maille intermediate class, offered on the same day.

Intermediate Byzantine Chain Maille Bracelet

Both projects require the use of two pairs of jewelry pliers. We suggest a combination of flat nose, chain nose and/or bent chain nose pliers. We have two styles of pliers available for

purchase. The economy pliers are \$26.95 for a set of four and the better quality pliers are \$12.95 per pair. Each student will purchase rings and a clasp for each class attended. The supplies will cost about \$15-20.

If you need glasses, please remember to bring them. Some people also wear "readers" or a magnifier to make the weaving easier.

Even though we have very good lighting in the store, chain maille requires close-up work; you may need to bring your own task lighting too.

We appreciate it when you buy your tools and supplies here at Harmony. By doing so, you help ensure that your local stained glass store will be here as a place for fun and learning for many years to come.
