

# THE GIBSON NEWSLETTER: DECEMBER 2019

Happy Holidays everyone, Dominique Gibson is back again with the December 2019 edition of The Gibson Newsletter. There are many things I need to talk about in this issue (which is why I decided to do this issue early). Let's get started.

## OTHER NEWS

- I'm still working on my holiday story *The Reinmans: Second Chances*, the short story to the Truson S.E.T. series. I'll be sure to keep you posted on when the story is complete.
- There's still an opportunity to purchase *An Orman's Revenge* and *An Orman's Fate* just in time for Christmas. On **Saturday, December 7th** and **Sunday, December 8th**, Bargain Booksy will be advertising both *An Orman's Revenge* and *An Orman's Fate* in their newsletter and on their website. Be sure to look for it in your email this weekend and on the website.
- I will be working on *Courtney's Redemption* this month and will be posting the first few chapters in my latest book *The Gibson Newsletter: A Year in Review*, which will be coming out this month.

## Books I'm currently reading right now...

*The Darkest Promise* by Christine Feehan

*Writing Irresistible Kidlit* by Mary Kole

Both are available on online retailers everywhere!

## What's coming up in 2020?

So, it's the end of the year and I'm always asking myself what's coming up for the next year. What plans are going to change and what plans are going to stay the same? There are some things that will be changing in 2020 that I think fans will be really excited about and some things that I felt were no longer beneficial to my publishing schedule. Here's the list of what's coming in 2020:

- *Courtney's Redemption* will officially be out by 2020. The possible deadline for *Courtney's Redemption* will probably be February 2020.

- *The Reinmans: Second Chances* will be out within the first few months of 2020. My goal is for it to be available by January 2020.
- *The Orman's Trilogy* will end with *An Orman's Allegiance* in 2020. The trilogy will also be offered as a four part set (*Courtney's Redemption* will be in there as well) in the summer of 2020.
- *The Phimans Trilogy* will start in 2020 and starts off with the first book in the trilogy series and the fourth book of the Truson S.E.T. Series called *A Phiman's Betrayal*.
- The young adult version of the Truson S.E.T. series will be written and published before March 2020.
- *A Billionaire's Affair* will be written in-between these projects.
- The *Writing Craft Elements* blog along with articles that were not included in the newsletter will be included in short book, *The Gibson Newsletter: A Year in Review*.
- There will no longer be two different book covers for the Truson S.E.T. series. It will just be one cover for both the ebook and paperback version for the rest of the titles.
- Hopefully, I will be releasing a nonfiction project sometime in 2020 in-between projects.

That's it for the final edition for the Gibson Newsletter for 2019. Have a happy new year and I'll see you in January 2020!
