

# THE GIBSON NEWSLETTER: June 2020

UNVEILING THE NEW COVER FOR THE  
THIRD BOOK OF THE TRUSON S.E.T.  
SERIES

I can't believe it! I know I say this every time I write this newsletter but time is flying by so fast, my head is spinning! Hello, Dominique Gibson is back with yet another newsletter for the month of June 2020! These last couple of months have been truly incredible as I have been a busy little worker bee trying my best to balance everything out when it comes to my self-published novels, my coursework, and my online class I'm currently taking right now, which I would recommend to all the self-publishing authors to do if you really want to make money as a self-published author or even as a traditionally published authors considering that traditionally published authors is responsible for their own marketing and promotion for their books. If you want literary agents and publishers to notice you, it's imperative that all authors have some sort of social media profile (Facebook page, a website, or even a blog). This information is especially useful for aspiring authors looking to go the traditional publishing route. Now, Let's get into some other news.

## OTHER NEWS

- Even though this has taken a little longer than usual due to the COVID-19 outbreak, I am in the process of the second draft of *An Orman's Allegiance*. As you can see, I have revealed the new cover for the ebook version and will reveal the cover for the paperback version really soon.
- In addition to working on the third book of the Truson S.E.T. series, I am also taking an online course (besides the one I'm currently taking at SNHU) on doing ads for self-published authors. I will provide more details in the article below.
- Make sure to check my website daily for updates on what's going on in the publishing world in addition to helpful tips for self-publishing authors on how to write and promote their work. I will be posting updates on what's happening in the traditional publishing world as well so be on the lookout for it, My website to see more information is [www.dominiquegibsonauthor.com](http://www.dominiquegibsonauthor.com)

## MY REVIEW SO FAR OF MARK DAWSON'S ADS FOR AUTHORS COURSE

Based on my previous announcement on my website, I'm officially taking the Mark Dawson's Ads for Self-Published authors course, which is available at the link down below if anyone is interested in joining this course. The class has been very interesting so far and has taught me a lot of things I probably wouldn't have known if I was doing it on my own. Just in the first session alone, I was able to learn about what an ad manager does on Facebook and how to set up a page on Facebook you can use to promote your ads. I will be posting more about this on my website for further information on this course. That's it for the June 2020 edition of The Gibson Newsletter. See you next month.
