

# Let's Celebrate with Cookies!

Catholic Schools Week is just around the corner, and we have lots of fun activities planned to recognize our amazing faculty, staff and students! We're excited to give our families a way to celebrate their students and teachers – even when they can't actually *be* at the party!

This year, we are selling rocket cookies (baked & decorated by Saint Roch's very own, Abigail Snyder) that will be delivered – with a personal message – to classrooms during Catholic Schools Week! Cookies will be \$2 each. You may purchase as many as you would like! Proceeds from this sale will support other events happening at Saint Roch during Catholic Schools Week!

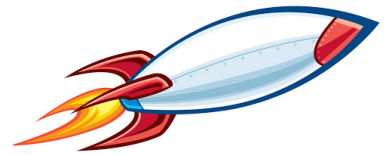

If you would like to order a cookie for your student (or teacher!), please fill out this form, add your personal message and return no later than **Friday, January 29th**. Both the form and payment should be sent to school in an envelope labeled Tina Hayes - Saint Roch PTO. Additional forms can be found on the Saint Roch PTO facebook page!

Thank you for making Saint Roch such a sweet place!
