

## Welcoming Students

We know that EVERY day is a GREAT day to be a ROADRUNNER and we have planned many events to showcase the Naz experience to prospective students and families this fall.

- **Shadow Days** are a great opportunity for 8th graders to spend a school day at Naz. Spots are already filling up so [book your day with Mr. Lee](#) ASAP.
- On Friday, September 9, we'll host a **Grade School Tailgate** on Michalek Field before the football game for students in grades 7 & 8. Meet our Roadrunners while you play games, enjoy some food and win prizes. This event is reaching capacity so [RSVP today](#).
- Musicians in grades 6-8 have the chance to play with the band at our **Band-o-Rama** event on September 16. [Register early](#) to guarantee your spot.
- Our **STEM Olympics** is always a popular event for future creators. Save the date for October 15.

Visit our [Admissions page](#) for all the details and registration.

## Welcoming Parents

Our Admissions team understands that parents have just as many questions about the Naz experience as students do, so we've created events that are parent-friendly too.

- **Coffee & Conversation** gatherings offer parents the chance to learn from and talk with the Nazareth Administration. Guests will be treated to coffee, informal conversation and a tour of the school. We have both morning and evening sessions this fall. [Advanced registration](#) is required.
- Save the date for our largest informational event, our **Open House**. Choose Sunday, October 23 or Monday evening, October 24. Details to come.
- Take a **personal tour**. If you'd like to visit during a school day, [Mr. Lee](#) can make those arrangements with you.

Information on how you can visit can be found on our [Admissions page](#).
