

## Meet Our High School Mission Team

Over the next few weeks, you will get a chance to meet the youth that will be attending the Mission Trip event to Erie, PA this summer. With this opportunity, you can put the faces with the messages they have to share with you. We thank you for your support of this team.

This week you get to meet Grace Roberts and Rachel Wykert, who will be graduating from High School later this spring and are looking forward to this trip before they embark on their college adventures.

Hi everyone! My name is **Grace Roberts** and I am a senior at Lyons Township High School. I love Jesus and I am so excited to grow in my faith through this mission trip. I am looking forward to connecting with the people we help as well as my fellow volunteers. I also love reading, writing, cooking, working out, and of course making music! I am planning on going to college next year and studying Music Therapy. Thank you so much for your generous donations and your prayers!

Hi! My name is **Rachel Wykert**. I am a senior in high school at Walther Christian Academy. I am planning to start my journey at Grace College this fall of 2021. I am aiming at majoring in their Facility and Event Management program.

I have been at St. John's since I was born. I am really grateful for all of the teachers and members at St. John's that have made me into the person I am today. You may sometimes see me singing in the 505 Services on some Saturdays. I am thankful that God has blessed me to have the opportunity to help spread His Word to others!

I am very excited to go on this mission trip to Erie, Pennsylvania! I am looking forward to helping those in need while also bonding with my group. Above all, I am hoping to grow in my relationship with Christ.
