

# Donate gift cards to families in need during COVID-19

Purchase gift cards through our school's fundraiser for essential goods such as groceries, gas, restaurants, and cleaning supplies, to donate to those in our community.

As COVID-19 widens and families are impacted by hardships related to closed schools, limited access to childcare, work limitations, and more, we have a unique opportunity to help support our community and families.

## How you can make a difference

Buy gift cards at face value for key goods and services.

Gift cards can be donated to local families in need.
