OUR EV INFRASTRUCTURE EXPERIENCE

As a highly specialized part of our organization, Expand EV is a dedicated internal team serving the transportation electrification industry sector. Expand EV evaluates, designs, and permits electric vehicle charging infrastructure for passenger vehicles, light and heavy-duty fleet vehicles, ports, school bus yards, and public transit. This team has identified and evaluated hundreds of sites and engineered thousands of charging ports in California and Nevada.

OUR CORE SERVICES & EV EXPERTISE

Our dedicated EV Infrastructure team is uniquely qualified in system assessments, analysis, initial studies, and development of zero emission transportation projects. We can assist in evaluation, design, and improvements as well as large-scale infrastructure and transportation electrification.

Our EV Expertise:

- Agency Coordination
- Site Reconnaissance
- Due Diligence Reports / Site Assessments
- Schematic Plans
- Feasibility Studies
- Cost Estimates
- Utility Investigations & Relocations
- Permitting
- Construction Support & Documents
- EV Charging Infrastructure
- Infrastructure Improvements
- Cost-Benefit Analysis / Value Engineering
- Comprehensive Interconnection Evaluations
- Analysis of Renewable Energy Systems
- EV Technologies Implementation
- Territory-Wide EV Program Management
- ADA Code Compliance
- Program Management
- QA / QC
- Design Team Coordination
- PIMS Updates
- Workflows / Template Updates
- AHJ Research & Coordination
- AutoCAD
- Value Engineering
- Bus Fleet EV Infrastructure

Our Core Services:

- Civil Engineering
- Electrical Engineering
- Structural Engineering
- Mechanical Engineering
- Land Surveying
- Environmental
- Architecture
- Computer-Aided Drafting Services

CONTACT US!

We are a one-stop shop of multi-discipline expertise for our clients, with most services available in-house. Contact us for more information about how we can provide value to your utility client or program.

WE ARE SAFE FROM THE START:

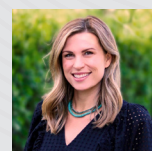

- ISNworld "A" Grade
- PG&E Golden Shovel Certification
- Zero (0) Lost Hours

MASTER SERVICE AGREEMENTS:

We have **over 20** Master Service Agreements (MSAs) with Utility Providers in CA, NV & AZ.

Let's Chat about your project!
