## **SHREDDING GUIDELINES**

- Ensure that your materials have been thoroughly examined to remove any combustible materials, office equipment, computer cables, old cell phones, batteries, food or other garbage that may be harmful to our shred truck.
- You must remove materials from 3-ring binders and any plastic casings (such as CD cases or documents in plastic folders).
- You don't need to remove staples, paper clips, binder clips, hanging folders (with metal strips), manila folders, paper board legal binders, spiral notebook binders or thin plastic sheet protectors (if in relatively small quantities).
- If you have x-rays, please separate those from the paper, as those will be destroyed offsite.
