## How does the View First Ordering System work?

- 1** No need to do anything before picture day, just send your child to school with a smile! We will be taking multiple images in different poses.
- 2** After picture day you will receive an email with an access code to view your photos! You can even view siblings at the same time!
- 3** Log-in. Pick one, two, or all of the images! You can order them a la carte or in one of our packages. Pick from numerous background options. You can adjust the crop of your image to get your desired look!
- 4** Order by your deadline to take advantage of coupon incentives and free direct shipping!

The school receives a commission on each photograph taken and these commissions are used for the benefit of the students and the school.

## Tips for Your Big Smile!

- Practice smiling with your teeth!
- Don't worry about your glasses, we take care of glare!
- Get your hair cut a week or two prior to allow natural look to grow in!
- Avoid any distracting colors or patterns.
