Price Change Announcement – Eaton Distributed IT (D-IT)

Dear Valued Customer,

Eaton Distributed IT (D-IT) will implement a list price change, effective **September 15th, 2025**. Actual increases and decreases will vary by product type.

As a manufacturer of power infrastructure products, we experience a multitude of changes that can affect our pricing models. While maintaining full integrity, meeting stringent quality standards, and protecting the interests of our shareholders, we continually strive to offer products at the best possible market prices in order to meet customer expectations.

Any of the following factors can contribute to our pricing changes:

- Imposed Tariffs
- Competitor price behavior
- Product feature enhancements
- Product elasticity
- Materials cost/availability (e.g. lead for batteries)
- Global economic conditions
- Local/state/federal laws & policies
- Quality and recertification
- Supply chain changes

We appreciate your support and continued efforts to promote and sell Eaton products and services. If you have questions concerning the price change, please contact your local salesperson.

Sincerely,
Eaton Distributed IT (D-IT)
