Price Change Announcement – Eaton Critical Power Solutions Division

Dear Valued Customer,

Eaton Critical Power Solutions Division (CPS) will implement a general price increase effective **December 19th, 2025**. Changes include an average increase of 6-10% on 3-Phase UPS, 6% on DCPD, 3% on Surge products, and 3-5% on Services. Some products and services may see slightly higher increases while others will see lower or no increases at all. Actual increases will vary by product.

As a manufacturer of critical power products, we experience a multitude of changes that can affect our pricing models. While maintaining full integrity, meeting stringent quality standards, and protecting the interests of our shareholders, we continually strive to offer products at the best possible market prices to meet customer expectations. Any of the following factors can contribute to our pricing changes:

- Competitor price behavior
- Product feature enhancements
- Product elasticity
- Materials cost/availability (e.g. lead for batteries)
- Global economic conditions
- Local/state/federal laws & policies
- Quality and recertification
- Supply chain changes

We appreciate your support and continued efforts to promote and sell Eaton products and services. If you have questions concerning the price change, please contact your local salesperson.

Sincerely,
Eaton Critical Power Solutions Division
Pricing and Product Management Teams
