

## Overview

To help ensure your critical systems remain operational during outages, HM Cragg now offers completed Uninterruptible Power Solutions that are integrated into indoor rack enclosures. Our **ReadyRacks** provide seamless backup power, and are engineered for simple, turn-key integration on-site. Think of it as an “easy button” for your UPS needs!

## Key Features

### Turnkey Solution

All-in-one, fully assembled backup power solution.

### Online UPS Systems

Advanced double-conversion UPS — delivering clean, consistent power and maximum protection for critical systems.

### Deployment Confidence

Pre-tested and certified for flawless cutover — ensuring peace of mind during critical deployment windows.

## Applications

Our systems are quickly deployed with simple connection points provided. Additional rack spacing is also available to install additional equipment.

- Enterprise and colocation data center
- Distributed networks, network closets and “Edge” networking
- Corporate IT and office infrastructure
- Healthcare facilities
- Financial services
- Education
- Security and surveillance
- Smart building infrastructure

# Product Specifications — NEMA 1

Configuration	Description	Overall Weight	Overall Height / Width / Depth	Run Time in minutes at Full / Half Load	System Capacity VA / Watts	Enclosure Rating
<b>9SX3K-Based Configurations</b>						
<b>HMS9SX3KWALL01</b>	9SX3000HW, 120V UPS, Bypass, NEMA 1 wall-mount enclosure	350 lbs	42" x 30" x 16"	28 Full / 61 Half	3000 VA / 2700 W	NEMA 1 Wall Mount
<b>9PX3K-Based Configurations</b>						
<b>HMS9PX3K42U01</b>	9PX3000RTN, one EBM, PDU and Environmental Monitoring Probe in 42U SmartRack	500 lbs	80" x 24" x 44"	20 Full / 47 Half	3000 VA / 2700 W	NEMA 1 Rack
<b>HMS9PX3KL42U01</b>	9PX3000RTN-L, one EBM, PDU and Environmental Monitoring Probe in 42U SmartRack	425 lbs	80" x 24" x 44"	24 Full / 48 Half	3000 VA / 2700 W	NEMA 1 Rack
<b>9PX5K-Based Configurations</b>						
<b>HMS9PX5KP42U01</b>	9PX5KG2, one EBM, PPDM and Environmental Monitoring Probe, PPDM1 in 42U SmartRack	675 lbs	80" x 24" x 44"	16.5 Full / 39 Half	5000 VA / 5000 W	NEMA 1 Rack
<b>9PX6K-Based Configurations</b>						
<b>HMS9PX6KP42U01</b>	9PX6KG2, one EBM, bypass, and Environmental Monitoring Probe in 42U SmartRack	700 lbs	80" x 24" x 44"	14.7 Full / 35 Half	6000 VA / 5400 W	NEMA 1 Rack
<b>HMS9PX6KLP42U01</b>	9PX6KL, one EBM, PPDM, and Environmental Monitoring Probe in a 42U SmartRack	550 lbs	80" x 24" x 44"	26 Full / 55 Half	6000 VA / 5400 W	NEMA 1 Rack
<b>9PXM-Based Configurations</b>						
<b>HMS9PXM8K42U01</b>	9PXM12S8K UPS, bypass, and Environmental Monitoring Probe in 42U SmartRack	850 lbs	80" x 24" x 44"	6 Full / 17 Half	8000 VA / 7200 W	NEMA 1 Rack
<b>HMS9PXM12K42U01</b>	9PXM12S12K UPS, bypass, and Environmental Monitoring Probe in 42U SmartRack	925 lbs	80" x 24" x 44"	6 Full / 14 Half	12000 VA / 10800 W	NEMA 1 Rack
<b>HMS9PXM16K42U01</b>	9PXM12S16K UPS, bypass, and Environmental Monitoring Probe in 42U SmartRack	1,000 lbs	80" x 24" x 44"	6 Full / 17 Half	16000 VA / 14400 W	NEMA 1 Rack
<b>HMS9PXM20K42U01</b>	9PXM12S20K UPS, bypass, and Environmental Monitoring Probe in 42U SmartRack	1,250 lbs	80" x 24" x 44"	6 Full / 14 Half	20000 VA / 18000 W	NEMA 1 Rack
