Updated Price Change Announcement – Eaton Distributed IT (D-IT)

Dear Valued Customer,

Consistent with broader trends across the electrical industry, Eaton's D-IT business continues to experience significant cost pressures driven by increases in raw material, logistics, and operational expenses. As a result, D-IT is withdrawing certain recently communicated changes while continuing to evaluate them for potential future implementation.

Please note the following key details regarding this adjustment:

- The adjustment will be reflected through updates to list pricing and applicable multipliers.
- Eaton reserves the right to limit orders submitted at pre-adjustment pricing to typical historical order volumes.
- Eaton reserves the right to apply pricing adjustments to aged, unreleased backlog that does not reflect the pricing levels effective August 2, 2026.
- For additional details, please refer to the applicable Eaton selling terms and conditions or contact your local Eaton sales representative.

Sincerely,

A handwritten signature in cursive script that reads "Linsey Miller".

Linsey Miller
President, Eaton Global Distributed IT (D-IT)

Eaton Distributed IT (D-IT) - Price Change Notification

Effective: August 2, 2026
