Putting Faith Into Practice

November 2026

Keep the Light Shining – 2027 Pledge Campaign

Dear people of All Saints,

This is the time of year for our annual pledge campaign when everyone in the parish is asked to make a pledge of their time, talent, and treasure. Stewardship includes your financial contribution to the parish, and this enables us as a church to plan our 2027 budget and do the work God is calling us to do.

Yet stewardship is about so much more. Simply put, stewardship is how we live into being a disciple. It is how we live as Christians after we have said "yes" to following Jesus. There is a beautiful line from the Book of Common Prayer, Eucharistic Prayer Rite I: "And here we offer and present unto thee, O Lord, ourselves, our souls, and bodies, to be a reasonable, holy, and living sacrifice unto thee." *That* is stewardship. It acknowledges the great abundance that God has given us, and it invites us to give fully of ourselves in return. I invite you to prayerfully consider how you may give of your time, talent, and treasure for the building of God's kingdom here at All Saints Church.

Please turn in your pledge to the parish by mail, online, or in person by November 29, 2026, our Ingathering Sunday,

The coming months will be a time of transition in the parish. Remember that God is with us, and God's love is steadfast. The Apostle Paul once wrote there are three things that remain: faith, hope, and love. My friends in Christ, have faith, choose hope, love as Christ loves us. When we do that, our community will become the light on hill that Jesus calls us to be. Pray, work, and give as you are able. With your faithfulness and God's help, the light will keep shining at All Saints.

Yours in Christ,

Trace Browning +
