I Ask is the statement by which individuals will demonstrate that asking for consent is a healthy, normal, & necessary part of everyday interactions, & the statement by which we will uplift the importance of consent & transform it from being prescriptive to empowering.

Submit your drawings, paintings, spoken word, dance, & poetry around the theme of "I Ask." This contest is open to youth ages 12-18; the top three submissions in each category will receive a prize. Submissions are due in physical or electronic format by April 1. Go to [raparecoverycenter.org/saam](http://raparecoverycenter.org/saam) for more info.
