County of Orange Awarded Over \$3 Million to Support Underserved Small Businesses Impacted by COVID-19

SANTA ANA, Calif. (February 7, 2022) – Awarded by the California Office of the Small Business Advocate (CalOSBA), the Orange County Workforce Development Board (OCWDB) has received \$3,975,481 in California Microbusiness COVID-19 Relief Grant Program funding to support underserved microbusinesses and entrepreneurs impacted by COVID-19.

“This grant opens doors for some of the hardest to reach business owners who are typically confronted with obstacles preventing them from receiving funding, and this award can make a difference in helping them succeed,” said Chairman Doug Chaffee, Fourth District Supervisor.

The County will provide payments of \$2,500 to microbusinesses and entrepreneurs facing barriers to accessing capital including businesses owned by women, minorities, veterans, individuals without documentation, individuals with limited English proficiency, and business owners located in low wealth communities.

“Many businesses are still suffering from COVID-19 impacts, and this funding is an example of how we are continuing to find and provide opportunities supporting our community,” said Vice Chairman Don Wagner, Third District Supervisor.

To be eligible, microbusinesses must meet the following requirements:

- The microbusiness began its operation prior to December 31, 2019.
- The microbusiness is currently active and operating or has a clear plan to reopen when the state permits reopening of the business.
- The microbusiness was significantly impacted by the COVID-19 pandemic.
- The microbusiness had less than fifty thousand dollars (\$50,000) in gross revenues in the 2019 taxable year.
- The microbusiness currently has fewer than five full-time equivalent employees and had fewer than five full-time equivalent employees in the 2019 and 2020 taxable years.
- The microbusiness is not a business excluded from participation in the California Small Business COVID-19 Relief Grant Program, as specified in paragraph (2) of subdivision (f) of Section 12100.82.

“Orange County’s small business owners and entrepreneurs are the backbone of our economy,” said Supervisor Andrew Do, First District. “Supporting small businesses is central to our county’s

“The culture and quality of life in Orange County would not be the same without our microbusinesses and entrepreneurs, and it is important we meet their needs with the resources the County has available,” said Supervisor Katrina Foley, Second District.
