

In the midst of the COVID-19 crisis, our collective ambition is to ensure the most vulnerable in our community have access to delicious prepared meals, delivered safely to doorsteps by volunteers, while preserving job security for restaurant kitchens.

### Purpose

The purpose of this initiative is threefold.

- To uplift the most vulnerable among us with delicious prepared meals delivered safely to their doorstep.
- To provide job security for culinary workers and local vendors.
- To mobilize heroic volunteers.

### Process

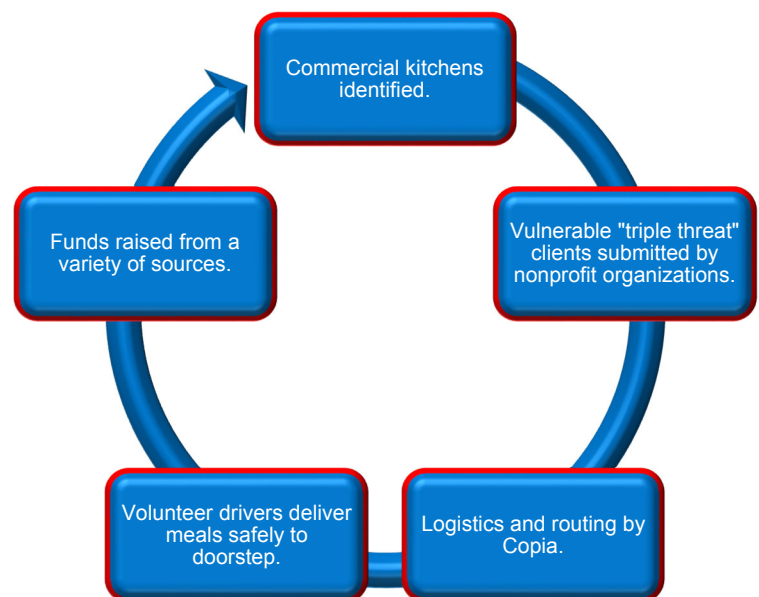

**Step 1:** Commercial kitchens identified.

**Step 2:** Vulnerable “triple threat” clients submitted by nonprofit organizations.

**Step 3:** Logistics and routing by Copia.

**Step 4:** Volunteer drivers deliver meals safely to doorstep.

**Step 5:** Funds raised from a variety of sources.

### “Triple Threat” Criteria

Delivering with Dignity is intended strictly for individuals, and families who live with them, who meet the following criteria:

1. At highest risk based on CDC guidelines for COVID-19.
2. Ineligible or currently not being served by any community organizations for provision of prepared meals to their homes.
3. Financially unable to meet their food needs without leaving their home and, do not have a reliable support system of friends and family to assist.
