

**FIRST 5**  
ORANGE COUNTY

## Child Care and its Impact on Orange County's Economy

# Did you know?

→ **\$4.3 billion** in wages and productivity are lost annually due to child-care related challenges

### Join us for a webinar on how a lack of affordable child care affects all of Orange County

Child care-related challenges exact a significant toll on Orange County companies and the overall economy, along with a staggering personal and financial toll on families with young children, who far too often must choose between continuing to work or abandoning their careers to care for their children. Help us to solve Orange County's child care crisis.
