

# Center for Health Care Management and Policy

## Fall Speaker Program

### ***Improving Health Care Affordability in California: What is and should be considered next year?***

November 4, 2021  
9:00 – 10:30 a.m. PDT  
Presented Virtually

Register today at: [merage.uci.edu/CHCMP](http://merage.uci.edu/CHCMP)

Join us for a conversation with senior health care leaders and policymakers who will discuss policy issues, challenges and solutions for improving healthcare affordability.

- Learn what state policymakers should do to promote health care affordability for consumers
- Hear about the new Qualified Health Plan(QHP) affordability standards
- Potential policy solutions that can positively impact large health systems
- Recent legislative efforts that could make an impact on the challenge of health care affordability
