

# CHRISTMAS TREE-TO-MULCH

## Pinellas residents can repurpose trees into usable, moisture-retaining mulch for the landscape

Residents are encouraged to participate in Christmas Tree-to-Mulch programs available across the county this holiday season. Trees can be processed into useful mulch. To prepare Christmas trees for mulching, residents must remove all decorations, including hooks, garland, tinsel and lights.

It is important to leave trees loose for pick up, rather than placing them in a bag or trash can. Residents who live in apartments and condominiums should consult with their association or property managers for disposal instructions.
