

## Concrete Pipe & Precast, LLC

CP&P is a valued supplier of precast concrete pipe and structures in the Mid-Atlantic and Southeastern United States. The company delivers exceptional value through market insight, production capacity, and two other rare commodities—integrity and commitment. Whether it's developing innovative designs or formulating strategic applications, we work together with our customers to identify and seize opportunities. Often customers ask us to develop unique products or meet special requirements. Innovative thinking is one of the challenges that we like best.

---

Concrete Pipe & Precast, LLC is bringing the PERFECT monolithically cast manhole to its already broad line of precast concrete solutions.

PERFECT is an innovative monolithically cast manhole providing better long term reliability, significantly improved consistency in construction, and superior hydraulic performance.

Computer modeled design and layout provides precision, consistency and an improved hydraulic flow.

Monolithically cast base section, invert channel and bench provides inherent strength and reliability.

*The PERFECT manhole... redefining expectations... "PANTA RHEI (Everything Flows)"*
