

## Steps in the Kidney Transplant Process

### Interest in Transplantation

Patient expresses an interest in considering a deceased- or living-donor transplant.

1

### Referral Call to Transplant Center

Patient, nephrologist, or dialysis facility makes referral to transplant center.

2

### First Visit to Transplant Center

Patient makes an initial visit to transplant center.

3

### Transplant Center Workup

Patient completes transplant center workup.

4

### On Waiting List or Evaluating Potential Living Donor

Patient is on a deceased-donor waitlist or assisting with evaluating a potential living donor.
