

# FACILITY ACTIVITIES CALENDAR

## February 2020

During the month of February, dialysis facilities should be working to implement interventions from the January [Learning & Action Network \(LAN\) events](#). Facility staff, patients and care partners should be involved in all interventions. This can be done through QAPI, support groups and interactive activities. Facility staff are invited to join Network staff during Open Office Hours on February 14, 2020 to discuss QIAs.

NOTE: Dates below are only recommendations for required activities. Due dates are mandatory. Please contact the Network at [esrdnetwork1@ipro.us](mailto:esrdnetwork1@ipro.us) or 203-387-9332 with questions. Thank you.
