

Looking for a Transplant Center that is Right for YOU?

How long do patients wait on the transplant waiting list at my transplant center?

Which transplant centers allow me to self-refer?

Which transplant centers share the same list for kidneys?

The answers are now at your fingertips!

Ask a staff member at your facility about our Transplant Center Compare Patient Resource. The ESRD Network's resources allow you to view information on transplant centers in your area and as available listen to a recorded presentation from the transplant center team. **These resources will help you to make the best decision for you on where to be listed for a kidney transplant.**

Learn about transplant center criteria to help you select a program that works for you.

- ✓ Average wait time for a transplant
- ✓ Number of appointments needed to complete your transplant workup
- ✓ Self-referrals for transplant consideration
- ✓ Transplant requirements for living donors
- ✓ Average number of transplants performed every year
- ✓ Average number of patients added to the transplant waitlist
- ✓ Which transplant centers share the same list for kidneys
- ✓ Availability of support programs like free or reduced-fee parking, free or low-cost housing for overnight procedures, peer support groups, assistance with making appointments, and donor options advice.

Hear from the transplant centers themselves.

- Meet the members of the team through podcasts created with the transplant teams
- Learn about their program from their perspective
- Learn why they believe their center may be right for you
- Learn about their accomplishments and how they work with patients

Refer to our website or ask your social worker for these resources today.
