## **Hurricane Dorian Disaster Response**

We've all seen the pictures. Thousands of homes flattened, no power, water or communications...and people still missing, and lives lost. In the Bahamas, where the impact of the hurricane has been devastating, Lutheran Disaster Response and the Florida-Bahamas Synod are working together to assess the immediate need for relief and aid. With your help, we can walk together with the survivors on the long road to recovery. There are forms on the coffee counter that will help direct your gift-100% of it-to help our brothers and sisters in need. Or simply write your check out to Lutheran Disaster response and put it in the offering plate or leave it on Tracy's desk. Thank you!
