

# IMMANUEL

Broken & Loved, Saved by Jesus, Freed to Live

## Cloud Walking

May the flame of the Spirit burn brightly  
in the church today.  
May it dance and flicker and  
scorch and singe and get us to move.  
May it be just far enough out of our control  
to make us uneasy.  
May its light wake up the sleepy  
and its warmth comfort the  
ones who cannot find rest.  
May the Spirit speak through a thousand  
voices whose meaning is known  
to the stranger who sits in the far  
back corner for fear of being welcomed.  
May the house of God shine today,  
and every day, with the fire that first kissed  
us when we huddled in the darkness,  
the fire that still burns in hearts  
too holy to accept the cold.

**Give Thanks!**

We're excited to announce that we closed on the house on Friday, May 31st. We are so grateful to the Thompson / Seymour Living Trust for this gift.

Our payment will be \$500 per month and the home will become a gift upon the passing of Marshall. Marshall wanted all of us to know how Alice's love for Immanuel inspired this gift — as well as our commitment to reaching out to kids in our community. Alice was a teacher.

Last year, we enjoyed many conversations about faith and life with our middle school Living Faith Students. We're looking forward to continuing to grow in faith, understanding, compassion, courage, and community- and all the learning that happens between

generations for many years to come. Thank you for all of the conversations and prayers along the way — to everyone who attended informational meetings, the congregational meeting, the leadership of our council, and for the generous gifts we have already begun to receive to support our monthly payment.

VBS will soon be here- and the house and yard will be buzzing with kids who will be exploring the theme -Life is Wild, God is Good. Living Faith will begin in the fall for our 6th, 7th, and 8th graders. We wonder how God will surprise us with new ways to be together thanks to this amazing gift!

Tuesday June 11th 10am  
Please join us as we make a "Collection of You" collage. As stated by the American Art Association "Expression through visual art can bring forth what we struggle to put into words"
