

## Meet the crew: Bill Boros

Harbormaster

I have always said: "If I ever own a boat, it will be a sailboat." In 1992 a friend introduced me to the Century Club, and I became a member and owner of a sailboat, Amazing Grace. Since then I have sailed the Caribbean three times, sailed across Lake Erie, the Chesapeake Bay, the Gulf of Mexico, and on the Atlantic.

After 29 years of membership, I still feel the Century Club is the best "damn" place on the lake!
