

Meet the crew: Ron Gallagher

Buildings and Grounds Chair Keelboat Instructor

I've been drawn to the water and boating for as far back as I can remember. My wife (Lori) and I have been PCC members for about 5 years. We love PCC and I enjoy ensuring PCC members get the most out of the club as possible.

I am a US Sailing certified Keelboat Instructor and hold a USCG 100 ton Master license with a Sailing and Towing endorsement.
