DownEast Teen

Learning today,  
to lead tomorrow...

DownEast Teen Leadership Camp (DETLC) is a 5-day residential summer program offered by Healthy Acadia and held at the University of Maine at Machias that supports positive youth development and substance use prevention by empowering teens to make healthy choices and positively impact their lives and those in their communities.

DETLC offers a safe and fun environment to for teens to be themselves, form long lasting friendships, and build their leadership skills.

Your generous support helps keep tuition affordable and provides scholarships to ensure that all interested teens may attend DETLC.
