## **Summer Service Opportunity at Healthy Acadia**

Are you looking for an exciting summer opportunity? Do you enjoy helping your neighbors and your community and being outdoors? Healthy Acadia is partnering with Goodwill Industries of Northern New England's VISTA program to recruit for AmeriCorps Summer Associates to help with food rescue efforts in its two-county Gleaning Program this summer.

Summer Associates serve 10-week terms over the summer months for organizations working to support increased food distribution to families in need. 2019 Summer Associate service positions start May 20, June 7, and June 17. Online applications must be submitted at least two weeks prior to requested start date. Associates will receive a stipend of \$2,361 through AmeriCorps for the 10-week program. Summer Associates also receive an education award of \$1,289 that may be used towards furthering education, or receive a \$345 cash payout upon successful completion of the term.

AmeriCorps Summer Associate applicants must be at least 18 years old and commit to full-time hours. This is a great way to add valuable work and community service experience to your resume or to your college application.

Interested applicants can click [here](#) for more information or to apply. To learn more about Hancock County-based positions, contact Katie Freedman at 667-7171 or by email at [katie@healthyacadia.org](mailto:katie@healthyacadia.org). In Washington County, contact Regina Grabrovac at 255-3741 or by email at [regina@healthyacadia.org](mailto:regina@healthyacadia.org).
