Opioid Overdose Reversal, Naloxone Administration Training Offered

Ellsworth. Healthy Acadia, Health Equity Alliance, and UMA Ellsworth Center Student Association, and will offer a free Naloxone Overdose Reversal Training on Tuesday, March 5, 2019, from 4:00pm to 5:30pm, at the UMA Ellsworth Center, Mill Mall, 248 State St., Suite 1, Ellsworth. Participants will learn how to identify and respond to an opioid overdose and how to administer the medication, Naloxone, which temporarily reverses an opioid overdose. Attendees will also gain new tools and learn about community resources available to assist people in all stages of addiction and recovery. Free take home Naloxone kits will be available to participants upon completion of the session.

This training is recommended for those who are likely to experience or witness an opioid overdose, including those who work or live with people at risk of overdosing. The class is limited to 40 participants, and advance registration is recommended. To register, please call the UMA Ellsworth Center at (207) 667-3897 or email debra@healthyacadia.org.

This training is supported by grant number H1URH31442 from the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS), Rural Health Opioid Program HRSA-17-022. The contents are those of the facilitator(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government.
