STEP 4 Mystery at the Mansion

Last wee the instructions had us make 64 flying geese units.

Now, we're going to enlarge those units! Sew a **DARK half-square triangle** to each flying geese unit. This makes "double flying geese" units.

Repeat to make 64 double flying geese units.

Figure 3

SOME BASIC QUILTING TERMINOLOGY that you'll hear often:

QUARTER INCH SEAM: unless otherwise stated in your pattern, all seams are sewn with an accurate quarter-inch seam

QUARTER square triangle: 4 triangles diagonally cut from a square

HALF Square triangle: 2 equal triangles diagonally cut from a square

WOF: Width of Fabric (selvage to selvage)

MYSTERY IN THE MANSION is considered an "easy" pattern that most everyone will be able to understand. HOWEVER, if you have any questions, please don't hesitate to call the shop, 541-432-6669. Or, send us an email, Cattlecntryqlts@eoni.com. We will be happy to help.
