STEP 5 Mystery at the Mansion

Add a DARK quarter-square triangle to each side of a double flying geese unit. (See Figure 4.) Remember the dark quarter square triangles started out as dark 5 1/4" squares that you subcut twice to make four quarters.

Repeat to make 32 extended double flying geese units.

You are adding these dark quarter-square triangles to the double flying geese units made last week.

MYSTERY IN THE MANSION is considered an “easy” pattern that most everyone will be able to understand. HOWEVER, if you have any questions, please don’t hesitate to call the shop, 541-432-6669. Or, send us an email, Cattlecntryqlts@eoni.com. We will be happy to help.
