Sunday, Oct. 20 • 1:45-6:00PM

The ladies of the local church fortify their flock with love, wisdom and, of course, the food they prepare in the church's basement kitchen. Bringing their own special brand of humor, the story of four women, as they organize the food and solve the problems of their church, mixes together wonderful music, endearing characters, and side-splitting scenes to serve up a deliciously delightful journey. Funny and down-to-earth, you will recognize and embrace these ladies as they witness the church year unfold in this comedy musical. After the show, we participate in a "talk-back" with the actors and crew, before enjoying a dinner at G's Pizzeria.

Thursdays, Oct. 31, Nov. 7 and 14 • 1-3PM

This class offers you an opportunity to gain a solid grasp of the key ideas of religion itself—the issues that repeatedly surface when you look at any faith's beliefs, practices, and organization. Using five major religions—Judaism, Christianity, Islam, Buddhism, and Hinduism—as illustrations of how religions can address the same core issues in parallel and different ways, you will explore religion's complex and multidimensional nature. It's an exploration that can strengthen the interpersonal understanding that underlies your daily relationships, enhance your perception of events in a diverse world, and deepen your appreciation of your own beliefs and the traditions followed by others.

Charitable Giving

To sustain our quality programming, your financial support is needed. Although Sunrise Side Lifelong Learning (SSLL) is tremendously fortunate to have passionate, qualified members, friends and others willing to volunteer their time and expertise, we still have many annual operating expenses necessary to offer such a program.

Our current membership fees cover approximately 50% of our ongoing costs. Therefore, the remaining 50% must be raised through donations, gifts, and grants. Our plans for development and an enhanced quality of programs depend 100% on charitable gifts.

Your consideration of a tax-deductible gift will benefit the program and help secure the SSLL legacy. If you would like to give to SSLL, please make a check out to SSLL and designate how you would like us to use the funds:

- (a) Transportation (bus leasing)
- (b) Speakers
- (c) Printing, Publications and Office Supplies
- (d) Staff Compensation
- (e) Insurance
- (f) Technology and Software, or
- (g) General Use

Ways You Can Give to SSLL

1. SSLL is a 501(c)3 organization and as such can receive **tax-deductible contributions** under section 170 of the Internal Revenue Code. We can also receive tax-deductible **bequests, transfers or gifts**.
2. If your **estate plan** is several years old, or if you don't have a will or living trust, see an attorney before year's end to update your plans. When planning your will or updating your existing estate plan, consider adding a bequest to SSLL to continue regular gifts.
3. Look at your **stock portfolio** to see if you have appreciated stock or mutual fund shares to use for charitable giving.
4. Check old **US Savings Bonds** to see if they have stopped earning interest. If you have some of these bonds, redeem them and use the proceeds to make a gift to SSLL.
5. If you are age 70 ½ or older, transfer part or all of your 2019 **Required Minimum Distribution** to SSLL.

If you make a charitable contribution to SSLL, you will receive a letter indicating the amount given and the date, so you have documentation for your 2019 tax year records. We can't thank you enough for giving us your serious consideration!
