

Adult Day School Program

The Adult Day School Program is offered to Adult Learners, ages 18 and older who are not registered with a Secondary School. The Adult Day School program runs from September to June and provides a structured and disciplined learning environment, using the Ontario Secondary School curriculum. Adult Day School Courses are offered in 35 day sessions on a full or part time basis (online). Classes are teacher facilitated. Workplace, College and University level high school courses are available. To book an online appointment with guidance and inquire about PLAR [click here](#) or contact 905-561-2190

D2L Hybrid Online Program

The D2L Hybrid On-Line Learning program combines MS Teams Tutoring and on-line delivery. The courses are available 24/7 and students can watch video lessons of their teachers and work at their own pace. All courses are Secondary School based. The D2L Program is offered to Adult Learners, ages 18 and older who are not registered with a Secondary School. To book an online appointment with guidance [click here](#) or contact 905-561-2190.

Work for Credit Program

The Work-For-Credit Co-op program runs from September to June. The program is designed for students already employed with significant work experience, and it offers students the opportunity to earn credits at their current employment. The Work for Credit Program is offered to Adult Learners, ages 18 and older who are not registered with a Secondary School. To book an online appointment [click here](#) or contact Jill Charbonneau at 289-308-6005.

PLAR Assessment

PLAR (Prior Learning Assessment and Recognition) is the formal evaluation and credit granting process whereby mature students may obtain credits for prior learning. This includes knowledge and skills that mature students have acquired in both formal and informal ways, outside of secondary school. The assessment is **FREE**. To find out if you're eligible and to book an appointment [click here](#).
