JOB SUMMARY

The Electrical, Transportation and Innovation Department of the Marshall School of Skilled Trades & Apprenticeship requires a part-time professor to teach in the Elevating Mechanic Devices in any number of courses and program areas, at both the Post-Secondary and apprenticeship level.

Under the direction of the Associate Dean, Professors in this department are responsible for providing academic leadership for developing an effective learning environment.

RESPONSIBILITIES

The duties of this position include, but are not limited to the following:

- Teaching theory and practical application components.
- Creating a positive and innovative student-centered learning environment in both the classroom and laboratory settings.
- Using a variety of teaching strategies most appropriate for the curriculum for both postsecondary and apprenticeship.
- Using a variety of techniques to evaluate student achievement of learning outcomes.

- Managing the educational environment to facilitate an optimal learning experience and student success.
- Evaluating, revising and developing learning resources within the program.
- Enhancing educational delivery and experiences through the use of technology to facilitate student learning.
- Applying college values and philosophy to work activities and interaction with others.
- Using the college's Learning Management System to present curriculum, testing and online activities.

QUALIFICATIONS

The successful applicant must have:

- EDM – A Certificate.
- A minimum of five years of industry work experience.
- Prior teaching experience at the post-secondary and apprenticeship level.
- Adult Education teaching certificate - preferred not required.
- Demonstrated commitment and understanding of human rights, equity, diversity and inclusion with the ability to communicate and work effectively inter-culturally with diverse groups of students, employees and the community.

This position is governed by the applicable legislation of the Province of Ontario. Successful candidates will be required to conduct work within Ontario and must be available to work on campus as required, and will be required to follow Mohawk College's vaccination policy: https://www.mohawkcollege.ca/covid-19-coronavirus/mohawk-colleges-covid-19-vaccination-policy-statement

The successful candidate must have an ability to relate theoretical knowledge and practical applications through innovative delivery methods so as to provide a meaningful learning environment for students of diverse backgrounds and ages. The ability to work as part of a team and demonstration of excellent interpersonal and communication skills are essential.

Faculty members hired at Mohawk College must be prepared to teach with a learner-centered approach and to assist in the development and application of alternate delivery methods. They may be assigned to teach classes at any

College Campus and may be scheduled to teach between 8:00am and 10:00pm, Monday to Friday.

Mohawk College is an equal opportunity employer that is committed to inclusive, barrier-free recruitment and selection processes. If you are contacted regarding an employment opportunity, please advise Human Resources (905) 575 - 2047 if you require an accommodation.

Mohawk College is strongly committed to diversity within its community and especially welcomes applications from racialized persons/persons of colour, women, Indigenous/Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
