

# GROW NEW ENTRANT TRAINING PROGRAM

Find an in-demand job  
in a **GROWing** industry!

## Skills & Safety Training

**GROW provides interactive training delivered by industry professionals.**

Gain the skills and safety knowledge employers demand with four weeks of online and in-person training.

**Training Schedule:** 4 weeks • Mon. - Fri. • 9am - 5pm

## Employment Support

**GROW helps you find a job you'll love.**

All positions are intended to lead to regular employment. Access 1-on-1 coaching and exclusive online tools including a job bank with employers ready to hire GROW grads.

## Paid Work Experience

**GROW offers the support you need to succeed.**

GROW continues to offer individual support throughout your first two weeks in your new job. As a GROW grad you'll also enjoy on-going access to GROW's exclusive online tools.

**Your job is out there. We'll help you find it.**

Designed and delivered by Landscape Ontario, GROW offers an unparalleled opportunity to learn from the province's largest network of landscape & horticultural professionals.

**Take the first step towards a new outdoor career,
