FROM CALENDAR INVITE

1. Select the link in the calendar invite and Zoom / the meeting should open in your browser. You do not need to have the Zoom app to view the Zoom meeting. To view in the browser only, select this option when pointed to your browser:

   > If you cannot download or run the application, start from your browser.

2. OR – copy and paste the link into your browser and it should open up the meeting.

Please note:
- There is also a call-in only option that is available in the meeting notice. You'll need both the phone number and the meeting ID.
- If you do not have a web camera, you will be able to see the meeting and the shared documents, but you will only appear as a box with your phone number.
