

KNIGHTS OF COLUMBUS ANNUAL

CHILDREN'S EASTER EGG HUNT

Children running through the grass searching for plastic eggs filled with all sorts of goodies. What better way to spend a sunny spring day? On Easter Sunday the Knights of Columbus once again hosted their Annual Children's Easter Egg Hunt. The Knights prepared over 3,000 eggs packed with religious items, toys, and, of course, candy. In addition, Texas Roadhouse provided free meal coupons and a candy filled egg for each participant.

To ensure that all children had enough energy to complete the hunt, the Knights served hot dogs, and a large variety of cookies, baby carrots, cups of Goldfish crackers and Chex Party Mix, along with lemonade, water, and peach flavored iced tea for each of our guests. Easter themed coloring pages and games for families to play were also provided to keep children entertained.

The hunt provided an opportunity for fellowship and socialization while families enjoyed a nice spring day. Over 230-people registered for the event including 115-eager children and their parents. Many others joined the hunt as walk-ins. As a community event, the Knights also welcomed families and staff from St. Margaret of Cortona Transitional and Maternity Housing.

After the event, the Knights donated leftover cookies, snacks, and hot dogs to a local homeless shelter where they were received with great appreciation.

The Knights of Columbus invites all community members to join us at our events. Our Knights and our parish happily organize and support events that provide time for family fellowship and community bonding.
