

LEVERAGING OUR LEARNING AND MOVING FORWARD

Systemically and Systematically

Equity Advocacy Work

CEC team members and partners are available to support you and your team as you grow your equity-based systems and practices. We offer a broad range of supports that include:

- Equity audits
- Community- and school-based equity dialogues
- Equitable learning systems
- Anti-racist training

Contact us for the development of a customized approach based on your goals.

Strategic Planning

Reach out to the CEC team to . . .

Start the process for your new strategic plan

CEC offers a research-based strategic planning approach for districts who want to engage their stakeholders in-person or virtually. The approach results in a final plan that becomes a guiding document for continuous improvement.

OR

Revisit and update your current plan and related action plans

CEC can help assess the strength of current plans and ways to adjust them to stay focused on your system goals while being responsive to current challenges.
